

Make an everlasting impact

From the crystal clear waters of the internationally renowned chalk streams to the breathtaking beauty of the South Downs, the Hampshire countryside is very special.

We need to protect, nurture and cherish our countryside so it can thrive in the future – for nature and every person who calls it their home or their haven. Leave a gift in your will to CPRE Hampshire and you'll help the Hampshire countryside to live on.

How Wendy has made a lasting difference

Wendy Marks has lived in Hampshire for over 50 years and has been a CPRE Hampshire member and volunteer for much of that time.

“I love the countryside around us and, although I cannot walk very well these days (I'm 88), there is nothing so calming as the beautiful views and the fresh air of our lovely countryside.

I'm no longer able to volunteer, but I can help by leaving a legacy to CPRE Hampshire in my will. That way I can ensure that the local countryside I know and love is protected for future generations.”

A Hampshire countryside for us all, forever.

The countryside charity
Hampshire

Your gift, no matter
how small, really
makes a difference.

Your generosity will help ensure our Hampshire countryside continues to thrive, providing lasting benefits for generations to come.

We've been campaigning successfully for over 50 years to protect and promote the Hampshire countryside.

We highlight the value of our countryside and;

- campaign to prevent urban sprawl over green fields
- challenge inappropriate development proposals
- defend the countryside at public inquiries

We promote good development by:

- Recognising innovation and initiatives with our Countryside Awards.
- Working with local people, design professionals and developers to encourage better quality building.
- Engaging with local and national press, and broadcast and social media to highlight the importance of protecting the countryside
- Lobbying decision makers to ensure that green spaces are valued and open to everyone, for example campaigning to create the South Downs National Park.

'I'm no longer able to volunteer, but I can help by leaving a legacy to CPRE Hampshire in my will', Wendy Marks

Your gift is very precious to us. Such legacy gifts have enabled CPRE Hampshire to employ staff in addition to our fantastic network of volunteers and this makes a huge difference to the amount of work we can do. Your gift will help us to safeguard the future of the Hampshire countryside for generations to come.
