Welcoming new volunteers to CPRE Hampshire (November 2020)

CPRE Hampshire relies on the fantastic support of a number of loyal volunteers to promote, enhance and protect a thriving Hampshire countryside.

This month, we are delighted to welcome a number of new volunteers who will support us in roles across the county. These include:

- **Lisa Higgins and Kevan Bundell** who join our South Hampshire District Group in planning support roles. Both will provide assistance to group leader, Caroline Dibden in investigating planning applications in South Hampshire and helping to influence the outcome for the benefit of the countryside.
- **Alan Preece** joins us as a project volunteer. Alan will be creating a sustainable development checklist initiated by our CPRE Hampshire Campaigns Group. This will help to assist members in identifying what Sustainable Development should look like.
- **Emily McCleary** will support our communications officer, Nicola Revolta, in managing the CPRE Hampshire Instagram account. Social media channels such as Instagram, are a key part in bringing our work to a wider audience and play a vital role in attracting new members and supporters.
- **Mandy Roberts**, one of our long-standing branch volunteers who manages our CPRE Hampshire Christmas Card sales, will also now become our CPRE Hampshire office administrator.

We would like to extend a very warm welcome to all of our new volunteers, and to say a very big thank you for choosing to join us in helping to promote, enhance and protect the Hampshire countryside.

If you are interested in any of our current volunteering opportunities or would like to discuss how you can get involved in other ways, please contact our Volunteer Co-ordinator, Natalie Hargreaves hantssupportercare@cprehampshire.org.uk 01962 841897.
