

The countryside charity
Hampshire

The North Hampshire District Group needs you!

Our dedicated North Hampshire District Group are looking for new, enthusiastic volunteers to support their work in the north of the county. The group covers Basingstoke and all the towns and villages within the Borough of Basingstoke and Deane.

Led solely by volunteers, our six CPRE District Groups are the face of CPRE Hampshire in your local area. They work actively for your countryside, and campaign on issues that affect your local community.

Our District Groups are at the forefront of influencing local planning decisions affecting the Hampshire countryside, and take practical action to improve the local environment.

As a North Hampshire District Group Volunteer, there are a number of exciting activities that you could become involved in. These include:

- The organisation of local events
- Fundraising activities
- The generation of local support for the countryside and CPRE Hampshire
- Monitoring local issues of concern
- Liaising with local parish councils and societies
- Reviewing local planning issues
- Being part of the national CPRE network

As a volunteer-led organisation, our fantastic CPRE Hampshire volunteers make everything we do possible, so if you can spare a few hours to support your local CPRE Hampshire group, we'd be delighted to hear from you!

For more information, please contact our Volunteer Co-ordinator, Natalie Hargreaves at hantssupportercare@cprehampshire.org.uk or 01962 841897.
